

European Management Group

AIRCRAFT ACQUISITION AGREEMENT

Aircraft Type/Model/Year Required: _____

Approximate Price: _____

1. **Buyer's Broker** Client is interested in the purchase of a jet aircraft and desires to hire the European Management Group (EMG) as its exclusive "buyer's agent" with regard to the purchase of said aircraft.

2. **Services Rendered** EMG shall use its best efforts and expertise to provide Client with the following assistance, guidance and consultation.

- Suggesting various alternative aircraft based on mission and budget
- Comprehensive identification of all available aircraft which meet Clients criteria
- Detailed comparative analysis of top selected aircraft
- Thoroughly educate Client on values and value-added components
- Making offers on various candidate aircraft to find the motivated seller
- Preparation of offers and contracts, representing Clients best interests
- Identification of financing sources and or assistance in financing with major banks.
- Assistance in arranging the pre-purchase inspection
- Making sure the aircraft is delivered with everything functioning normally
- Handling all closing details.

3. **Client Intranet** All pictures, specifications, comparisons, offers, agreements and other work produced by EMG will be available to Client via EMG's web site

4. **Commission** In the event that Client purchases an Aircraft, Client agrees to pay EMG a commission in the amount of _____USD, payable at closing for professional consultative services rendered. In the event that Client does not purchase an Aircraft within 6 months of the date hereof, Client agrees to pay EMG a basic time and material fee in the amount of _____USD, payable at closing for professional consultative services rendered
